The River Bann and Lough Neagh Association (RBLNA) was formed in 1967 and exists to preserve and promote the amenities of the River Bann and Lough Neagh, their tributaries and associated waterways.

We want the Rivers and Loughs to be used properly and enjoyed without being spoilt. We aim to support the reopening of all associated navigations. e.g. Ulster Canal etc.

In 1999 the River Bann and Lough Neagh Association became a Branch of the Inland Waterways Association of Ireland

Members receive copies of the Inland Waterways News at least 4 times a year. We organize various events throughout the year.
